

THE NEW ERA OF ENTERTAINMENT

FUNBOX MUSIC.

Your ally for success and excellence

At **Funbox Music**, we have been perfecting our services for more than 10 years to ensure an unparalleled experience and a positive impact on the success of your establishment. Our commitment to excellence drives us to offer various quality products, exceptional service and solutions tailored to your needs, always accompanied by a close and personalized service.

We believe in building trusting relationships with our clients, providing them with the tools and support necessary to make their hotel stand out with the best entertainment and music.

With Funbox Music, the experience is guaranteed!

A portable computer will be provided by us for the animation department.

At Funbox Entertainment, we are committed to environmental sustainability and technological innovation. Our goal is always to deliver high-quality entertainment while reducing our impact on the environment. We firmly believe that the future of animation lies in the integration of digital and sustainable practices, and we are proud to be pioneers in this approach.

FUNBOX MUSIC.

Unlimited fun, wherever and whenever you want

FunBox Entertainment is a multimedia platform that has everything you need to elevate the guest experience in the hospitality industry, with essential utilities and applications to deliver a unique and memorable experience for your guests.

With essential utilities and applications to provide a unique and memorable experience for your visitors, we have a diverse and carefully selected catalogue, with all the necessary licenses from rights societies, ensuring the full legality of our products.

FUNBOX is ideal for rainy days, preshow, or show nights, with a catalogue of applications like

FUNBOX MUSIC

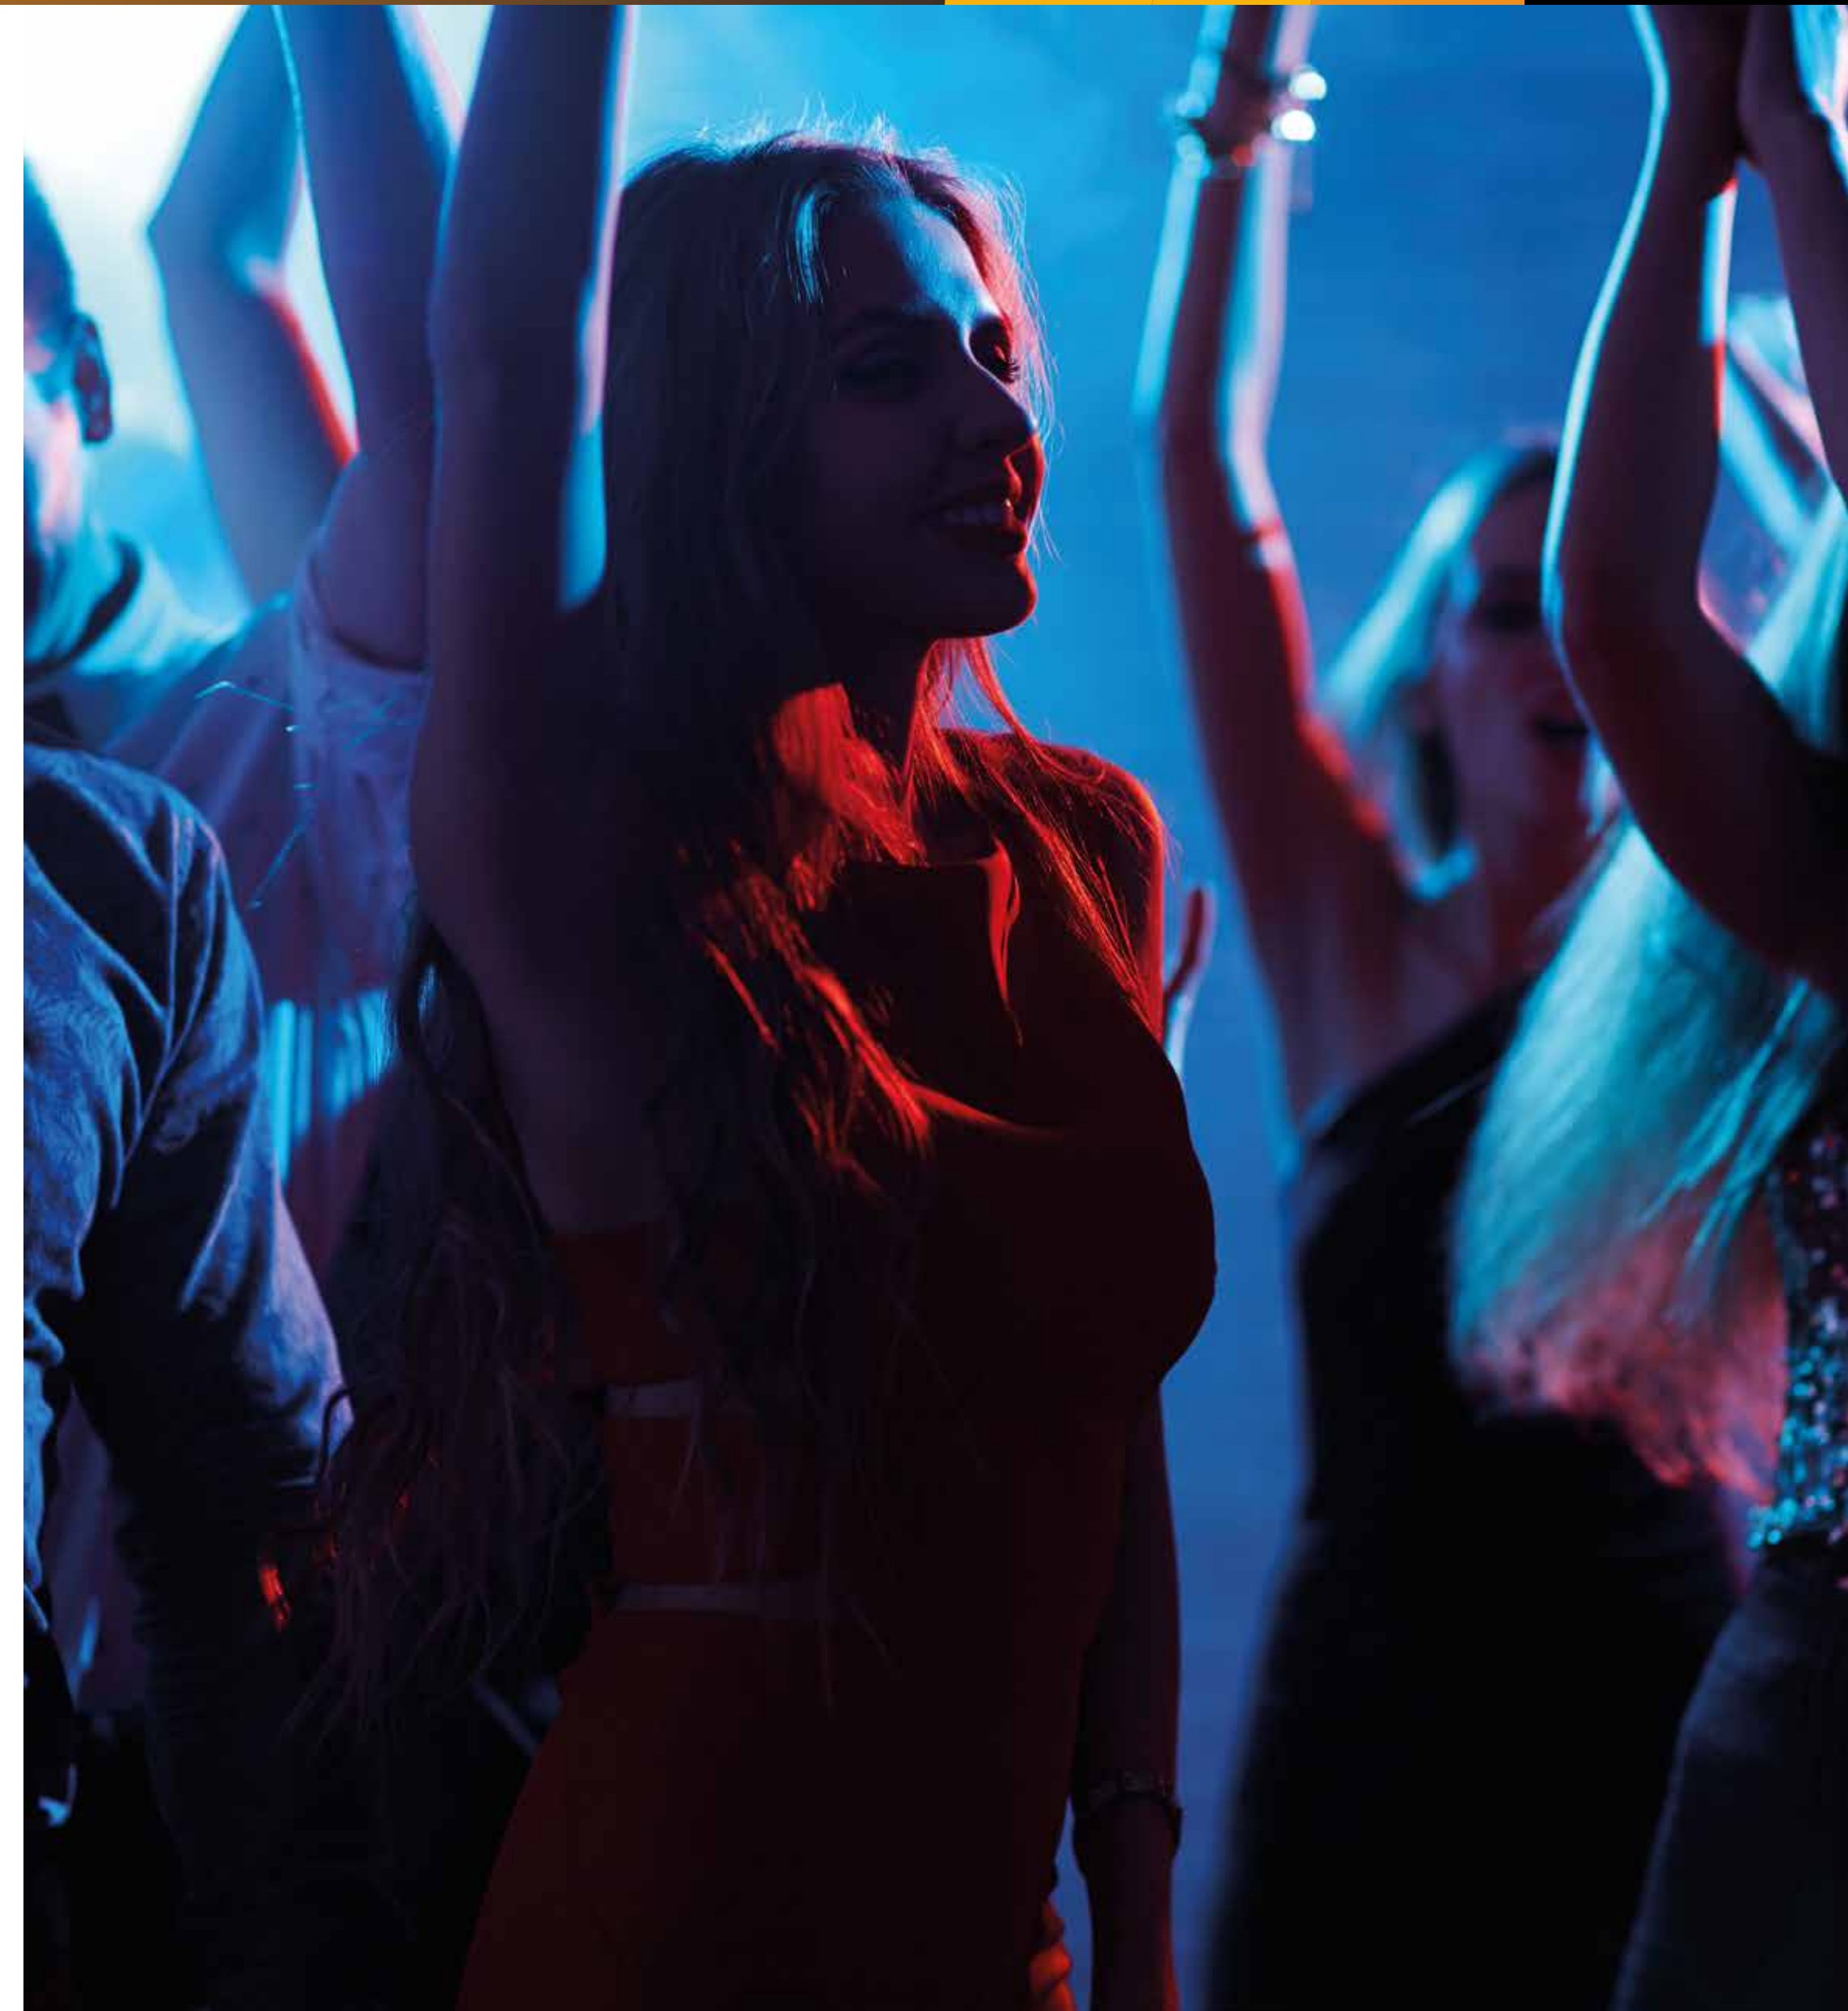

FUNBOX MUSIC

At FunBox, we know that every type of hotel has its own unique, musical atmosphere and you'll find diversity in the hotels we serve.

In the digital age, data security is an essential concern for any business. At FunBox, we've got it covered. All of our music is stored securely in the cloud, which not only ensures that your content is protected, but also that if your establishment goes offline, there's no reason to worry.

Our Music Player has an hour-long feature, maintaining the atmosphere and ambience that your customers and employees deserve.

The best playlists and genres

Discover the best playlists and music genres, carefully selected for every moment and style.

Customisation of playlists

Easily select the playlist that best suits the mood or purpose of the day.

Automatic music lock

Prevent any unexpected changes by activating the automatic lock, ensuring that no one modifies the active playlists.

Real-time music

From the Control Panel, see in real time what songs are playing and adjust the music as needed.

Volume and playlist control

Adjust the volume and modificate the playlist settings directly from the Control Panel.

Monthly updates

We keep your experience always fresh with monthly updates that bring new features and content.

Offline playing

Enjoy your playlists even when you're offline, so music is always available when you need it.

High quality stereo sound

Enjoy a high-quality listening experience with clear, immersive stereo sound that enhances every moment.
